

Student's Registration in the Voter List

On 13th November 2024, a team of six Booth Level Officers (BLOs) visited our College to assist eligible students in the voter registration process. In a commendable effort to promote electoral participation among young voters, the college's Electoral Literacy Club actively collaborated with the BLO team, guiding students through each step of the registration process. A total of 18 students successfully registered as voters, marking an important step in strengthening democratic engagement among youth. Later in the day, a team led by the Election Kanoongo inspected the entire registration drive. After observing the process and interactions with both students and officials, the team expressed their appreciation for the collaborative efforts displayed by the BLOs, the Electoral Literacy Club, and the college administration. The positive feedback from the Election Kanoongo underlined the importance of such initiatives in fostering a culture of electoral literacy and civic responsibility.
