Today, on dated 15/02/2023, A Meeting of Women's Grievance Redressal Cell is being held in the college with all the female members of the staff and female students of the college. It was a general meeting to discuss about role and functions of Women's Grievance Redressal Cell working in the college.

Ms Shikha Rana (Asstt. Prof in Physics) and Ms Bhouns Kumari (Asstt. Prof in English) as members of this cell interacted with the female students of the college to equip them with the knowledge of legal rights and redressal of their grievances if any. This cell is to purely safeguard the rights of female students and staff members. It provides a platform for listening to complaints regarding sexual harassment. As there is no such grievance is reported, the agenda of this meeting was to sensitize female students and make them conscious that this cell is responsible for looking into any complaints filed by students and staff members.
